LOCKHART.

Edar Lodge No. 211 of the Independent Order of B'nai B'rith of San Antonio had an interesting session at Lockhart Sunday afternoon, January 9, for the purpose of initiating many members into the lodge. S. C. Eldridge, Past Grand President of the District Grand Lodge No. 7, Leon Baer and L. N. Lee, members of the District General Committee, Lee Rubin, President, A. Saalosky, vice-president, and A.

Arnstein, Treasurer of Edar Lodge and many other members of the lodge and their wives motored over from San Antonio to be present on the occasion, nearly all of the leading Jewish citizens of Lockhart, joining the lodge.

Upon arriving at Lockhart at about 11 o'clock, the party was met by a committee consisting of A. Weinbaum, Sam Joseph, Louis Rosenwasser and Mose Glosserman. After being the guests of Mr. and Mrs. Weinbaum where hot punch, chocolate and cakes were served, the party went to the Carter Hotel where covers for 32 were laid.

At 2:30 they were taken to the hospitable home of Mr. L. Schwartz, where they were joined by nearly all the Jewish families of Lockhart, also the Arnsteins of San Marcos. The parlors were arranged into a Lodge Room and the beautiful ceremonies of the Initiation into the I. O. B. B. were impressively executed by the officers of Edar Lodge No. 211 of San Antonio. After the initiation, splendid refreshments were served by Mrs. Schwartz, assisted by Mesdames A. Maier, Weinbaum, Glosserman and others. Joe Rubin, acting as Toastmaster, highly interesting speeches were delivered by Judge S. C. Eldridge, Hon. Leon Baer, L. N. Lee, A. Arnstein, representing the Lockhart members. By special request, Mrs. A. Weinbaum responded to the toast for the ladies.

The Lockhart members feel highly gratified at the splendid representation of the Edar lodge and hope to have the opportunity to entertain them again.

The aims and purposes of the order are for the betterment of the Jewish people and humanity in general, the supporting of science and art, alleviating the wants of the poor and needy and maintaining our government and upholding all of its institutions. The order supports in this district and elsewhere a Jewish Widows and Orphans Home and Old Folks' Home at New Orleans, La. Toure Infirmary, a non-sectarian institution, Manual Training School for Boys, Denver Consumptive Home at Denver, Col., Lee N. Levi Hospital at Hot Springs, Ark., a non-sectarian institution, and besides these many other similar institutions throughout the world, including Free Libraries, free night schools, etc.

This was an affair which will be long and favorably remembered by all.

Appreciation.

Whereas, the members of Edar Lodge residing at Lockhart, Texas, received those members of the Lodge, who visited Lockhart, Sunday January 9, 1921, for the purpose of initiating the Lockhart applicants into our order in such a hospitable and cordial manner.

Therefore, in appreciation and recognition of these many courtesies so generously extended,

Be It Resolved, that the thanks of Edar Lodge be hereby tendered to the Lockhart members and their most estimable wives and daughters for the splendid reception given the delegation from the Lodge, and

Be It Further Resolved, that a copy of these resolutions be placed upon the minutes of our Lodge, and a copy sent to the Lockhart brothers.

S. C. ELDRIDGE, Maker.
R. A. ARNSTEIN, Second.

Carried unanimously by a rising vote of the Lodge. L. H. LEE, Recording Secretary.

JEWISH NURSES' SCHOOL IN WARSAW VERY SUCCESSFUL

Warsaw: (By I. J. P. B.) Twenty of the first batch of nurses who have entered the new nurse's school organized under the auspices of the local Jewish women's organization have graduated this week. The school was established a year and a half ago, because the Polish nurses' colleges refused to receive Jewish girls as students. The

school is very successful and enjoys a splendid reputation in local medical circles.

Danzig, Dec. 27 (Special cable to Jewish News Service.)—Five hundred prospective Jewish emigrants have been detained under quarantine in this city on a suspicion of typhus. An examination of the party showed that only five of the emigrants were affected, while the others were beyond any danger.
